

May 9, 2019

Dear Donors & Friends of the Community Free Clinic of Newport News:

The Community Free Clinic of Newport News will be participating in 2019 "Give Local 757 Fundraiser Campaign". This special day for the event will be held on Tuesday, May 14, 2019 starting from 12:00 A.M. until 12:00 P.M. midnight Wednesday. Unlike in the past, you may donate now through the May 14th date at midnight. Participation of the Clinic in the event will help bring awareness to the Clinic's services for the uninsured who receive medical & dental care. We provide medical & dental care. Services include:

- Medical Services
- Dental Services
- Specialty Care Referrals
- Labs Imaging Services through local hospital services
- Health Education Programs
- Early Detection Screening Events

Funds raised will help the Clinic continue services. Please share this information with your church, friends, and family members. Encourage them to make donations on-line of at least \$15.00 - \$50.00. You may give more!

Tuesday, May 14th, 2019 is "Give Local 757 Day" for donations, but you may go on-line now through May 14, 2019 and give: www.givelocal.757orgfcnn

Thank you for your support.
